

COACHES VS CANCER REPORT:

On behalf of the KHS Girls & Boys Basketball Teams, Coaches, and Administrators we would like to thank everyone who had a part in making our Coaches vs. Cancer basketball game a huge success. From the auction donors, cash donors, those who bought a raffle ticket, cookie, t-shirt, sandwich, those that helped in many different ways etc., we are so grateful for your support of this event. A lot of organization went into planning this event, but it would have all been for not if it wasn't for the COMMUNITY OF KNOXVILLE coming together, opening their wallets, and jumping on board with us. We truly wanted this to become a community wide event and it certainly was. We have all been affected by cancer in some way, and we felt like this event gave everyone a way to come together to fight a terrible disease, enjoy each other's company and, of course, cheer on our "PINK PANTHERS."

While the results of the fundraising were beyond anything we could have imagined, we can set our goals even higher next year. This year, thanks to everyone's generosity, we were able to raise right at \$12,100 from all of the various activities that surrounded the games; but there were a few empty seats in the gym, room for a few more silent auction items, and I am sure with some thought we can come up with a few more revenue generating ideas. So, who knows what is in store for the 2011 Coaches vs. Cancer game?

Once again a big THANK YOU to everyone that had a role in making this such a success. Things like this make us proud to be a part of the Knoxville School System, and the Knoxville Community. WAY TO GO KNOXVILLE, AND GO PANTHERS!!!!
